

Covid-19 Best Practices & Protocol

The following are Kidcreate Studio's new procedures that have been put into place due to the escalation of the Coronavirus (COVID-19) epidemic. The safety and wellbeing of our students and staff is the top priority.

Disinfecting Protocol

The following disinfecting procedures will be followed.

- A hand sanitizing station will be set up if hand sanitizer is available.
- Increase the frequency of handwashing during classes.
- Disinfecting all hard surfaces after each class.
- Disinfecting areas that are commonly touched such as door handles, cabinet handles, sink handles, toilet handles, light switches, soap and towel dispensers after each class.

Class Time Protocol

The following class time procedures will be followed.

- Contactless drop off and pick up.
- Each child will have their own set of supplies.
- Supplies will be disinfected at the end of the class.
- Encourage the students to wear a face mask.
- Require Kidcreate Studio staff to wear a face mask.
- Disposable aprons will be used when possible.
- Children will have assigned seats to ensure social distancing.
- Small class sizes to ensure social distancing.
- Maintain social distancing at all times.

Student and Employee's Health and Wellness

The following health and wellness policies will be followed.

- Students and staff are required to take their temperature prior to class.
- If students or staff have a fever they can not participate in class.
- If feeling sick, stay home.
- Kidcreate Studio staff will be diligent about sending students home if they show any signs of illness.
