WELCOME TO CAMP WB!

We have a great summer planned this year, with fun themes, field trips and special events. Our philosophy is to provide a safe, fun, organized, challenging and well supervised program. Our staff is experienced, friendly, energetic and looking forward to providing your child with a great camp experience. The West Bloomfield Parks Camp WB offers a safe alternative to staying home alone. Campers will spend the majority of their time outdoors and will participate in a variety of hands-on activities. This will give them the opportunity to enjoy familiarity and try new ideas, experiences, skills and interests. Campers will foster new friendships that they might not experience outside the Camp WB program.

The purpose of this handbook is to provide you with the information you need regarding our programs and policies. Please read this over and discuss these policies with your child to be sure they understand what is expected of them at our camps. Please read through this handbook and if you have any questions, call our office at (248) 451-1900.

CAMP WB LUNCH & SNACKS

Camper's must bring a lunch and drink each day. Please be sure the lunch and drink are labeled with the camper's name. Camper's should bring a snack and drink for the morning and afternoon. Again be sure to label all snack items with your child's name.

CAMP WB BEHAVIOR / DISCIPLINE RULES

Our goal is for all campers and staff to have a safe and fun summer. In an effort to reach this goal, the below rules have been put in place:

- Campers and staff must keep their hands to themselves.
- Have respect for other's property. Stealing will not be tolerated.
- Campers are not allowed to go into the equipment and storage closets and boxes.
- Campers will be assigned a "buddy" on all field trips as a safety measure.
- No threatening other campers or staff.
- Physical or verbal fighting will not be tolerated.
- Abusive language will not be tolerated.
- No smoking, alcohol, drugs, or weapons of any kind are allowed.

If campers violate the above Behavior/Discipline rules we will use the following steps:

1st Violation: We will talk to the camper and based on the severity of the offense, may issue a timeout from that activity.

2nd Violation: We will issue a time out AND contact the child's parent/guardian.

3rd Violation: The camper will be suspended from the program.

EXTREME CASES: Upon the occurrence of an extreme or severe disciplinary problem, as determined by WB Parks staff members, the child will be suspended or terminated from the program. In such cases, the parent will be notified to pick the child up immediately. A discipline problem is defined as any child who is hampering the smooth flow of the program by either requiring constant one-on-one attention; is inflicting physical or emotional harm on other children; is physically and/or verbally abusing staff; or is otherwise unable to conform to the expectations outlined in this handbook.

CAMPERS WILL NEVER BE DEPRIVED OF FOOD, NEVER PLACED ALONE WITHOUT SUPERVISION, INTERACTION, OR OBSERVATION; CAMPERS WILL NOT BE SUBJECTED TO RIDICULE, HAZING, THREAT, CORPORAL PUNISHMENT, EXCESSIVE PHYSICAL EXERCISE, OR EXCESSIVE RESTRAINT.

SUNSCREEN PROCESS

Camp staff will remind campers to apply their sunscreen when we are going outside for an extended period of time for an activity. Sunscreen application is performed as a group and campers apply their sunscreen independently. The staff will observe to confirm campers are applying their sunscreen properly and assist as needed. Staff will be diligent about reminders, but it is the campers responsibility to follow through. If there are any special instructions for your child's sunscreen application, including if they will need assistance applying it, please note on their Camp Agreement form and re-iterate to staff at drop-off.

CAMP WB STAFF

We are aware that great counselors are the key to a great Camp WB experience. Therefore we look for the very best when we hire. Returning staff are invited back only if their end of the summer evaluation meets or exceeds our expectations. New applicants have an oral and written evaluation as part of the hiring process. Characteristics that we look for are: leadership, good role models, outgoing personalities and patience. Staff is also chosen for their creativity, energy and experience working with children. We check references and previous experience closely. All staff must also pass a "criminal background check" and a state of Michigan central registry clearance check before being hired.

Our staff will participate in an extensive orientation training program in which we work on appropriate activities, proper discipline of campers, proper daily procedures, field trip safety, leadership skills, building children's self-esteem, etc. WB Parks believes strongly in preparing these young people to work with your children.

We provide at least one counselor to every 10 children. All camp counselors are at least 18 years of age and Camp Managers and Assistant Managers are 21 years or older.

CAMP WB FIRST AID & SAFETY

All staff members undergo First Aid, CPR, HEADS UP Concussion, Epi-pen and Water Observation training and will be certified before Camp WB begins for the summer. Staff will also carry basic first aid supplies (i.e. band aids, ice packs, sanitizers). In case of emergency all emergency responders will be called.

A concussion form is required by state law for children participating in any form of physical activity. Once you have filled one out for WB Parks, it will remain on file for life and there is no need to fill another out.

The medical forms you fill out at registration are kept onsite throughout the camp day and taken on field trips.

On our weekly field trips, transportation will be primarily provided by First Student and Durham. We may also utilize a WB Parks bus or passenger van or another contracted company.

CAMP WB HEALTH AND SAFETY; ONSITE INJURIES & ALLERGIES

Each child's health and safety is a matter of importance. With numerous children in our program we request that children be kept home from camp if they have any of the following:

- A fever within the last 24 hours, a temperature over 100 degrees or unusually high temperature
- Felt unwell in the past 3 days (fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and/or diarrhea)
- Exposure to someone who has tested positive for COVID-19 and is showing symptoms
- An infectious runny nose
- A severe cough
- Has been vomiting within the last 24 hours
- Has been on antibiotics less than 24 hours
- Has a contagious or unidentified rash
- Has pink eye
- Has lice

If any of these symptoms occur after camp, we request you immediately notify the Camp WB Manager or Recreation Programmer. In the case of a communicable disease, Camp WB will adhere to the Oakland County Health Department guidelines concerning re-admittance.

If a child appears to have symptoms during the day, the parent/guardian will be notified. It is important that parents/guardians pick up ill children immediately, as there is no staff available to isolate an ill child for an extended period of time. If your schedule prohibits this, please make arrangements for a backup person to be available for such an emergency. This person's name should be written on the Camp WB General Information & Release Form so that child may be released into their care.

In case of injury, the Camp WB staff will make an immediate attempt to contact the parent/guardian. If a parent/guardian cannot be reached, the staff will attempt to contact the next person designated. If necessary, 911 may also be called. Until the arrival of the parents, the on-site staff with highest seniority will be in charge and make all decisions concerning the care of the child. It is to the child's benefit that you keep your paperwork up to date on phone numbers, emergency numbers and other pertinent information. If your child has a medical condition or allergy that might be important in an emergency situation, please indicate this on the Camp Information Form. Any modifications need to be submitted in writing via email or in-person by the parent or guardian.

COVID-19 RESPONSE

We will continue to monitor the Community Levels through the CDC website and follow the directives given by Oakland County Health Department. We will align our response based on recommendations from the Oakland County Health Department. **We ask that parents continue to be diligent in their daily screening of their child's health throughout their participation with our camp program.** At this time, no written or onsite health screenings.

If we transition into other phases of the COVID-19 cycle, we will respond accordingly and communicate the Covid procedures we need to implement in order to keep campers and staff safe. This may include the use of masks, daily health screenings and/or cohorting.

COVID-19 ISOLATION/QUARANTINE PROCEDURE

Campers and staff who test positive for COVID-19 and/or displays COVID-19 symptoms (without an alternate diagnosis or negative COVID-19 test) will be asked to remain home regardless of vaccination status:

- Stay home and away from others until your symptoms are getting better and you are fever-free for 24 hours without medication.
- Then take added precaution for the next 5 days.

Campers/staff with **personal or household close contact**, regardless of vaccination status exposed to someone with Covid:

- Monitor symptoms
- If symptoms arise, follow procedure written above

PARENT COMMUNICATION

Reporting Symptoms/Positive Test Outside of Camp

Parents/Caregivers/Staff should report possible illness if anyone in their household shows symptoms or has tested positive for Covid-19.

1. Please email the Camp Administrator with the following information:
 - a. Name of the camper
 - b. Symptoms and when they started
 - c. If they tested positive and when
2. The Camp Administrator will communicate with the parent/guardian
3. **All parents will be emailed with the details and the nature of the exposure and the directives given by the health department.**

CAMP WB MEDICATION

If your child requires medication during camp hours, Permission to Administer Medication and Release of Claims form **MUST** be completed and signed by the parent/guardian before the medication can be dispensed to the camper. Any medication sent to Camp WB must be in the original container and properly labeled with the child's name, physician's name, instructions and name and strength of the medication. If needed, please request a duplicate bottle from your pharmacy. Permission to Administer Medication and Release of Claims forms are available online. For more information, please read our Administration of Medications Policy, also available online.

WEST BLOOMFIELD PARKS & RECREATION COMMISSION FIRE SAFETY

All children enrolled in the Camp WB program will be instructed on the proper exit procedure from the Drake Community Room in case of fire. Camp WB will use the same policy and procedures used by the WB Parks Department. Camp WB Fire drills will be performed and logged in accordance with the State of Michigan licensing requirements.

WEST BLOOMFIELD PARKS & RECREATION THUNDERSTORM & LIGHTNING SAFETY

In the event that a thunderstorm watch or warning is declared for the immediate area campers will continue the regular schedule. However, if thunder or lightening is heard or seen all campers will stop outdoor activities and return to the facility and wait 30 minutes from the last sound of thunder or sight of lightning. Indoor activities will continue.

WEST BLOOMFIELD PARKS & RECREATION TORNADO SAFETY

The Camp WB staff will follow the Tornado Safety Policy of the WB Parks Department. In the event that a Tornado Watch is declared during the hours that Camp WB is in session, the program will be conducted as usual. Campers will be dismissed at the end of the day. In the event of a Tornado Warning, the children

will be held in the facility until the "all clear" is given by the proper authorities. Staff members will stay on duty to care for the children until the "all clear" is given and campers are dismissed.

Thank you for trusting Camp WB
with your child!
